

# Meet Your *Coach*

Sherry coached at Midway for over 20 yrs at the middle school and JV level for volleyball. She is a decorated softball coach leaving a legacy at the High school level. She has been a part of the Waco Jrs program off and on since coaching her niece, Keeley Brister in 2011 and 2012. She joined back up with Keeley to be her assistant in 2018 and has been out of coaching retirement ever since. She does an awesome job running the youth leagues at Waco Jrs and helping the younger players fall in love with the game early! She is a great community engagement leader and has been assisting in the Volley for Molly tournament each year that Waco Juniors proudly supports.
