

# Meet Your *Coach*

Lauren is a Waco native and played at Midway as a Setter turned Libero. She played for Waco Juniors for 5 years and all four years in college starting at Hill College and finishing at Henderson State University in Arkansas with top ten national holdings for digs per set and aces. She has been with Waco Juniors since moving back in 2014 and will be starting her 9th season as a head coach as well as 5th year as a Co-Director of the club. During this time Lauren has coached two top 5 National Tournament finishing teams as well as helped numerous players continue at the D1, D2 and top Ju-Co levels. She loves the seeing the kids grow in our program on and off the court and hopes to continue to assist in promoting the Central Texas Region in this sport.
