

Meet Your *Coach*

Courtney graduated from Baylor in 2018 with a degree in Child and Family Studies. She grew up in Orange County, California and played Libero at Dana Hills high school and Outside hitter/Libero at Saddleback Valley Volleyball Club. This is her second season coaching at Waco Juniors and she absolutely loves it! She is also in her second season as head coach of the Baylor club volleyball team. She is currently working towards her certification in Child Life so she can use her gifts to help children in the hospital setting. You will also see her in the gym helping Sherry Rogers out with our younger volleyball players! The love for the game of volleyball starts with our little ones and she wants to make sure each and every player that steps in our gym not only falls in love with the game but maintains that love through their many years of playing to come!
