

Meet Your *Coach*

Brianna was a 4 year letterman at Leon High School. During her time there she won state twice, finished as a state semi finalist, and a regional semi-finalist. She was a decorated setter, libero and outside hitter. She then went on to play collegiate volleyball at Hill College and Texas Wesleyan University where she played libero as well as outside hitter intermittently. She went to the national tournament all four years at both the junior college and NAIA level and also received multiple awards as a libero. Since graduating, she has assisted in coaching different teams of all ages and is ready to bring her passion and love for the game to Waco Juniors!
