

## Meet Your Coach

Alicia played all of her grade years at China Spring ISD where she graduated in 2009. She was a multi-position player. She played Middle & Right Side Hitter until her junior year when she moved to a Right Side Hitter and DS. After her grade years, she played competitive and recreational beach & indoor volleyball as a Setter/DS. She has always loved the game of volleyball and wants to share that love of the game. Six years ago, she decided to join the Waco Juniors family. She has coached all ages from 18s-12s. She loves being able to share/teach her competitive edge, volleyball IQ and love for the game.
